Dear Kinsmen: -

The Kansas State Historical Library,
Topeka, Kansas is the depository of
whatever work I have done and
my manuscripts may be found
there; 30,000 names charted by
families and some other matters.

The work covers about 20 various
spellings. This is my hobby.

Correspondence invited.

Sincerely,

Rollo Clayton Speer

Foreword.

Dear Kinsman :-

In sending you this copy of my work so far on the Speers-Spears-Speer family of your line I am conscious of the sketchy nature of it and the many gaps left unfilled. I am sure there are many other excellent people who should be included in its scope and so I hesitate to pass it along, even to the inner circle. But it does represent years of hard work, even as it is, and I would be reluctant to lose what we have done.

In tracing this genealogy I have tried to spell the name always as I believe the person spelled would use it. I may have failed. There are many places in it where I fail to trace accurately the male and female lines both where they are both in the strain, because of lack of information. I plead pardon for such omissions where they occur.

The index is rather bulky but it may be hard for persons to locate their family without it. The mass of Christian names repeated over again and again becomes confusing. I enclose it for what it is worth.

I have tried sincerely to use the expression "Tradition" where I set down alleged facts which are not entirely proven.

May I invite correspondence from any person whatsoever into whose hands this may come, if they know of any additions or corrections which could be made. This is to be one chapter in the larger SPEER RACE I am compiling. Please, kinsfolk, do not hesitate to write me with corrections or additions for if you will you may help to get the entire picture more clearly before the American public in which the family of SPEER has played so large a part.

Sincerely yours,

Rollo Clayton Speer

P.S. I am not included in this chart, but am related to Solomon Speer #1077 who married Jane White.

Note: One tradition is that John Walker Jr., son of John S. Walker, married #614, Nancy Krepps, daughter of Solomon Speers Krepps and Nancy Speers, his wife. That it was their children who are listed above as the children of John S. Walker. I am inclined to believe that John S. Walker and Angeline G. Van Kirk were the parents of Nos. 628, 629 and 630. Whos Who says John Bristen Walker (No. 628) was a son of John and Nancy (Krepps) Walker but the dates are wrong for that.

The Two Frye Families &
The Reasoner Family

the frequent recurrence of the family name of Frye or Fry in these pages makes it well to make note of the two families between which there is no connection.

The one of these families was that of Abraham Frye Sr. who was traditionally from Germany along with Henry Speers. They were long-time neighbors and friends in Pennsylvania. Between the families of Henry Speers and Abraham Frye Sr. there is known to have been the following marriages:

Henry Speers Jr. (Rev) M. Rebecca Frye
Noah Speers M. Nancy Virginia Frye
Benjamin Frye M. Rebecca Speers
Samuel Frye M. Christina Speers
Abraham Frye Jr. M. Esther Speers

Often down the lines there were later intermarriages between Speers and Fryes. These were a German family and whether they had a British background as the Speers had, is not known to me. If so there may have been that remote connection between the two Frye families. But none nearer as it appears.

The other Fry family, as related to me by Mrs. Mary Fry Barley, begins in America with Col. Joshua Fry, commander of the Regiment in which George Washington was Lieutenant. Col. Fry died after a fall from his horse May 31st, 1754. He was born Somersetshire, England, 1700. Came to Essex County Virginia in 1728 or 1729. He was master of Crammer at William and Mary College. He married the widow Hill whose maiden name was Mary Mison, daughter of Paul Mison. Their son, Col. John Fry was known as Colonel of Albemarle, b Nov 7th 1737 and married Sarah Adams. All of their family moved to Kentucky. Two of their sons there married Speers daughters, namely William Fry who married Rachel Speers and John Fry who married Catherine Speers. One of their daughters, Mildred Ann Fry, married William Christian Hallist (1793-1877) and they have a wonderful line with a namesake now in high diplomatic circles.

On account of some church differences of opinion one branch of this family began to spell the name Frye. I have tried to give the correct spelling in each case but, like the Speers-Spears-Speer clan it is not always easy to know just how each one would have spelled it.

In the first generation in America Mary Speers married Peter Reasoner and from them comes a numerous and wonderful clan. I have traced them only in the first generations here. Fuller account of the Reasoners has been the long study of my good friend and helper, Colonel Matthew Aaron Reasoner of Chicago. He has done a really notable piece of research.

I am indebted very deeply to many members of the family for information and help. I wish especially to mention Mrs. Mary Frye Barley of Whittier, Cal. and Mrs. Lucy Beekman Robertson of Tallula, Ill. as also Arthur Dean Speers of Ottawa, Kansas. Mr. William Finley Speer of Grantwood, N. J. has been constantly helpful. Mrs. Virginia Speer Harris, Cochran, Ga. has helped with her branch. The many other helpers are much appreciated, especially since this is not my own Speer line and I have to rely for facts and traditions upon other than kin folk. This work is still very sketchy and there are many gaps left in it. I hesitate to even circulate MSS copies of it.
